Re: Town of Cicero Extension

October 15, 2015

Dear Mr. Grosso:

My law office serves as counsel to the Town of Cicero. The current approved solid municipal waste hauling contract serving the Town expires 12/31/15, but also contains extension language allowing the agreement to be extended in one (1) year increments upon the written approval of both parties.

The Town of Cicero Board approved an extension of the current agreement under the same terms and conditions contained therein for an additional one (1) year period until 12/31/2016 by resolution. The same resolution also authorized the Supervisor to execute this extension letter. I am writing to obtain your signature on this letter evidencing your consent to extend the contract as well.

Execution of this letter below indicates the agreement and understanding of the parties to extend the terms and conditions of the current contract for an additional one (1) year period until 12/31/2016. Kindly execute the two (2) original letters enclosed herewith and forward them to the Town of Cicero Supervisor's office for execution by the Town. Once the Town has executed both original documents, I will ask the Supervisor to mail you back a fully executed original to retain for your records.

Please feel free to have your counsel review this letter evidencing a contract extension, and as always you may call me at any time if you have questions or concerns.

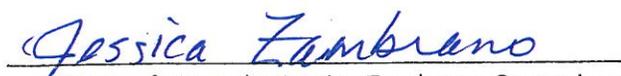

Very Truly Yours,
Robert M. Germain
